### **About Investor Cubed**

Investor Cubed provides specialized investor relations and business consulting services to a select group of leading Canadian small cap companies. ICI considers its small cap clients to be “partners” in creating value for their shareholders and for the financial industry professionals to whom it introduces its clients.

In addition, Investor Cubed is a partner and co-manager of [www.SmallCapPower.com](http://www.SmallCapPower.com) (SCP). SCP is Canada’s first website dedicated to tracking stocks with market caps from \$5 to \$500 million and has rich investment content and dynamic functionality that brings investors and financial industry professionals together to discover and communicate with small cap companies.

### **About Platinex**

Platinex is a Canadian mining exploration company. PTX’s management team has been leaders in the exploration and development of Platinum Group Elements (PGEs) in North America for 24 years. Platinex also actively pursues the opportunistic acquisition of other precious metal targets. The Company’s priority in exploration is reef-type targets which may host large scale ore bodies. Platinex’s proprietary expertise in exploration for this type of ore body has led to the acquisition of 7 PGE property holdings over large layered intrusions. Platinex is also exploring the highly prospective Shining Tree gold property and recently expanded the known size of the Herrick gold deposit with a 26 hole drill program returning good gold values.
