

PLATINEX ISSUES COMMON SHARES

TORONTO, ONTARIO, April 30, 2010 - Platinex Inc. (TSX-V: PTX), a Canadian exploration company, announced today that it has issued 50,000 common shares as an installment payment towards its Shining Tree Gold Property at a deemed value of \$0.125 per share. The shares are subject to a hold period expiring on August 13, 2010.

About Platinex Inc.

Platinex is a Canadian mining exploration company. PTX's management team has been leaders in the exploration and development of Platinum Group Elements (PGEs) in North America for 24 years. Platinex also actively pursues the opportunistic acquisition of other precious metal targets. The Company's priority in exploration is reef-type targets which may host large scale ore bodies. Platinex's proprietary expertise in exploration for this type of ore body has led to the acquisition of 7 PGE property holdings over large layered intrusions. Platinex is also exploring the highly prospective Shining Tree gold property and recently expanded the known size of the Herrick gold deposit with a 26 hole drill program returning good gold values.

PTX currently has 36,431,339 shares issued and outstanding.
