MANAGEMENT INFORMATION CIRCULAR
as at May 21, 2010

This Management Information Circular is furnished in connection with the solicitation of proxies by the management of PLATINEX INC. (the “Company”) for use at the annual meeting (the “Meeting”) of its shareholders to be held on Friday, June 25, 2010 at 445 Apple Creek Blvd., Suite 114, Markham, Ontario, L3R 9X7 at 10:00 o'clock in the forenoon (Eastern Time):

SOLICITATION OF PROXIES

The solicitation of proxies will be primarily by mail, but proxies may be solicited personally or by telephone or by email by officers and regular employees of the Company. All costs of this solicitation will be borne by the Company.

APPOINTMENT AND REVOCATION OF PROXIES

The individuals named in the accompanying form of proxy are the President and Chief Executive Officer of the Company and the Director of Business Operations of the Company. **A shareholder has the right to appoint a person, who need not be shareholder, to attend and act for the shareholder and on the shareholder’s behalf at the Meeting other than either of the persons designated in the accompanying form of proxy, and may do so either by inserting the name of that other person in the blank space provided in the accompanying form of proxy or by completing and delivering another suitable form of proxy.**

A proxy will not be valid unless the completed, signed and dated form of proxy is delivered to the transfer agent, Computershare Trust Company of Canada, by fax 604-661-6401 or by mail or by hand at 100 University Avenue, 9th Floor, Toronto, Ontario M5J 2Y1 not less than 48 hours (excluding Saturdays, Sundays and holidays) before the Meeting or the adjournment thereof at which the proxy is to be used.

A shareholder who has given a proxy may revoke it by an instrument in writing duly executed and delivered to the Company’s office at 445 Apple Creek Blvd., Suite 114, Markham, Ontario L3R 9X7 at any time up to and including the last business day that precedes the day of the Meeting or, if the Meeting is adjourned, that precedes any reconvening thereof, or to the Chairman of the Meeting on the day of the Meeting or of any reconvening thereof, or in any other manner provided by law. A revocation of a proxy will not affect a matter on which a vote is taken before the revocation.

REGISTERED AND NON-REGISTERED SHAREHOLDERS

These security holder materials are being sent to both registered and non-registered owners of the securities. If you are a non-registered owner, and the issuer or its agent has sent these materials directly to you, your name and address and information about your holdings of securities, have been obtained in accordance with applicable securities regulatory requirements from the intermediary holding on your behalf.

Registered shareholders may vote the shares they hold in the Company either by attending the Meeting in person or, if they do not plan to attend the Meeting, by completing the proxy and following the delivery instructions contained in the form of proxy and this Management Proxy Circular.

Most shareholders are “beneficial owners” who are non-registered shareholders. Their shares are registered in the name of an intermediary, such as a securities broker, financial institution, trustee, custodian or other nominee who holds the shares on their behalf, or in the name of a clearing agency in which the intermediary is a participant (such as CDS Clearing and Depository Services Inc.). Intermediaries have obligations to forward Meeting materials to the non-registered holders, unless otherwise instructed by the holder (and as required by regulation in some cases, despite such instructions).

Only registered shareholders or their duly appointed proxyholders are permitted to vote at the Meeting. Non-registered holders should follow the directions of their intermediaries with respect to the procedures to be followed for voting. Generally, intermediaries will provide non-registered holders with either: (a) a voting instruction form for completion and execution by the non-registered holder, which also permits voting by alternate means such as telephone, fax (if available), or internet, or (b) a proxy form, executed by the intermediary and restricted to the number of shares owned by the nonregistered holder, but otherwise uncompleted. These are the procedures to permit the non-registered holders to direct the voting of the shares that they beneficially own.

If non-registered holders wish to attend and vote in person at the meeting, they must insert their own name in the space provided for the appointment of a proxyholder on the voting instruction form or proxy form provided by the intermediary. They must carefully follow the intermediary's instructions for return of the executed form or other method of response.

EXERCISE OF DISCRETION

On a poll the nominees named in the accompanying form of proxy will vote or withhold from voting the shares represented thereby in accordance with the instructions of the shareholder on any ballot that may be called for. The proxy will confer discretionary authority on the nominees named therein with respect to each matter or group of matters identified therein for which a choice is not specified, any amendment to or variation of any matter identified therein, and any other matter that properly comes before the Meeting.

In respect of a matter for which a choice is not specified in the proxy, the nominees named in the accompanying form will vote shares represented by the proxy for the approval of such matter.

As of the date of this Information Circular, management of the Company knows of no amendment, variation or other matter that may come before the Meeting, but if any amendment, variation or other matter properly comes before the Meeting each nominee intends to vote thereon in accordance with the nominee's best judgement.

VOTING SHARES

Only shareholders of record at the close of business on May 21, 2010 who either attend the Meeting personally or complete, sign and deliver a form of proxy in the manner and subject to the provisions described above will be entitled to vote or to have their shares voted at the Meeting. As of May 21, 2010 the Company had outstanding 36,431,339 fully paid and non-assessable common shares without par value, each carrying the right to one vote.

To the knowledge of the directors and senior officers of the Company, the only persons who, as at May 21, 2010, beneficially owned, directly or indirectly, or exercised control or direction over, shares carrying more than 10% of the voting rights attached to all outstanding shares of the Company are as follows:

STOCK OPTION PLAN

On October 28, 2005, Platinex's board and management proposed and approved the Platinex Inc. 2005 Stock Option Plan (the "Option Plan"). Under the terms of this stock option plan as amended, a maximum of 10% of the issued and outstanding common shares have been reserved for issuance to the Company's directors, officers, employees and eligible consultants.

The maximum number of shares that may be issued under the Option Plan is 10% of the issued and outstanding shares, calculated at the time options are granted under the Option Plan. The Option Plan restricts the number of options that may be issued during a twelve month period to any one individual to 5% of the outstanding shares and to any one consultant to 2% of the outstanding shares. The maximum number of options that may be issued to all persons employed to provide investor relations activities is 2% of the outstanding shares.

The exercise price of options granted under the Option Plan cannot be less than the greater of (a) \$0.10 and (b) the market price per share less the applicable discount, if any. Options may be granted for up to a five-year period from the date of granting.

At the time of granting an option, the board of directors may set a vesting schedule. Options granted to persons performing investor relations activities shall have a vesting period of at least twelve (12) months with no more than one quarter of such options vesting in any three (3) month period.

Upon an optionee's employment, office or directorship being terminated for cause, any unexercised option shall become void on such termination date. If an optionee dies, or becomes permanently disabled, the option may be exercised by the optionee or the person to whom it is transferred by will or the laws of succession within one year of the date of death or disability. If an optionee (who is not a person employed to provide investor relations advice) ceases to be a director or employee, other than as a result of a termination for cause, the optionee shall have one (1) year after to exercise the options from date of cessation. The exercise period applicable to options held by persons employed to provide investor relations advice who are terminated other than for cause is thirty (30) days.

In the event the Company proposes to amalgamate, merge or consolidate with or into any other company (other than with a wholly-owned subsidiary of the Company) or to liquidate, dissolve or wind-up, or in the event an offer to purchase the shares of the Company or any part thereof shall be made to all holders of shares of the Company, the Company shall have the right, upon written notice thereof to each optionee holding options under the Option Plan to permit the exercise of all such options within the twenty (20) day period following the date of such notice and to determine that upon the expiration of such twenty (20) day period, all rights of optionees to such options or to exercise same (to the extent not theretofore exercised) shall terminate and cease to have further force or effect whatsoever.

The TSX Venture Exchange (the "Exchange") requires listed companies who have "rolling" stock option plans in place to receive shareholder approval of such plan on a yearly basis at the Company's annual general meeting.

The Shareholders of the Company will be asked to consider, and if thought fit, to pass the following resolution at the Meeting:

"BE IT RESOLVED that the stock option plan of the Company is hereby approved and confirmed."

PROXIES RECEIVED IN FAVOUR OF MANAGEMENT WILL BE VOTED FOR THE APPROVAL OF THE STOCK OPTION PLAN, UNLESS A SHAREHOLDER HAS SPECIFIED IN THE PROXY THAT HIS OR HER SHARES ARE TO BE VOTED AGAINST THE RESOLUTION.
STATEMENT OF EXECUTIVE COMPENSATION

The following table sets out all annual compensation for services in all capacities to the Company for each of the last three financial years in respect of the CEO and CFO of the Company as of December 31, 2009 and any other executive officer whose total compensation exceeded \$150,000 for that year (including any individual who was not an executive officer as of December 31, 2009 (the "Named Executive Officers").

For the year ended December 31, 2009, the Named Executive Officers were James R. Trusler, President and Chief Executive Officer and R. Bruce Reilly, Chief Financial Officer.

STATEMENT OF EXECUTIVE COMPENSATION

Named Executive Officers

For the purposes of this Circular, a Named Executive Officer ("NEO") of the Company means each of the following individuals:

1. a chief executive officer ("CEO") of the Company;
2. a chief financial officer ("CFO") of the Company;
3. each of the Company's three most highly compensated executive officers, or the three highly compensated individuals acting in a similar capacity, other than the CEO and CFO, at the end of the most recently completed financial year whose total compensation was, individually, more than \$150,000, as determined in accordance with subsection 1.3(6) of Form 51-102F6, for that financial year end;
4. each individual who would be a NEO under paragraph (c) above but for the fact that the individual was neither an executive officer of the Company, nor acting in a similar capacity, at the end of that financial year.

The Company has the following two NEOs: James R. Trusler, Chief Executive Officer and Bruce Reilly, Chief Financial Officer.

Compensation Discussion and Analysis

When determining the compensation of the NEOs, the Board considers the limited resources of the Company and the objectives of: (i) recruiting and retaining the executives critical to the success of the Company and the enhancement of shareholder value; (ii) providing fair and competitive compensation; (iii) balancing the interests of management and shareholders of the Company; and (iv) rewarding performance, both on an individual basis and with respect to the business in general in order to achieve these objectives, the compensation paid to NEOs consists of the following two components:

1. base fee; and
2. long-term incentive in the form of stock options.

Base Fee

The base fee of each particular NEO is determined by an assessment of the Board of such executive's performance, a consideration of competitive compensation levels in companies similar to the Company and a review of the performance of the Company as a whole and the role such executive officer played on such corporate performance.

Long-Term Incentive

The Company provides a long-term incentive by granting options to executive officers under the Stock Option Plan. The objective of granting options is to encourage executives to acquire an ownership interest in the Company over a period of time, which acts as a financial incentive for such executive to consider the long term interest of the Company and its shareholders.

Option Based Awards

The Board reviews the performance of the Company's management and advisors from time to time, and recommends option-based awards and other compensation awards or adjustments. These decisions take into

consideration corporate and individual performance and industry standards. Previous grants of option-based awards are also taken into consideration in making this determination. The experience of the Board members who are also involved as management of, or Board members or advisors to, other companies also informs decisions concerning compensation.
