He is a past director of Changfeng Energy Inc., Cordoba Minerals Corp, Exile Resources Inc., Active Control Technology and Hanfeng Evergreen Inc. Mr. Warren has had extensive involvement in all facets of organizations including finance, human resources, sales, marketing and operations and has guided boards in their corporate governance obligations.

About Platinex Inc.

Platinex is currently focusing efforts on developing various strategies to capitalize on the lucrative growth of the cannabis sector in North America and hopes to announce new initiatives in the near term. Platinex has been focusing its mining business efforts in assembling a very large property in the Shining Tree gold camp, which has received little modern exploration compared to other gold camps in the Abitibi Greenstone Belt. At this time, however, Platinex is seeking participation in the exploration of the property. Shares of Platinex are listed for trading on the Canadian Securities Exchange under the symbol "PTX".

FORWARD-LOOKING STATEMENTS:

This news release may contain forward-looking statements and information based on current expectations. These statements should not be read as guarantees of future performance or results. Such statements involve known and unknown risks, uncertainties and other factors that may cause actual results, performance or achievements to be materially different from those implied by such statements. Such statements include submission of the relevant documentation within the required timeframe and to the satisfaction of the relevant regulators, completing the acquisition of the applicable assets and raising sufficient financing to complete the

Company's business strategy. There is no certainty that any of these events will occur. Although such statements are based on management's reasonable assumptions, there can be no assurance that such assumptions will prove to be correct. We assume no responsibility to update or revise them to reflect new events or circumstances.

Investing into early stage companies, inherently carries a high degree of risk and investment into securities of the Company shall be considered highly speculative. Furthermore, the Company seeks to enter the cannabis market in the United States, where some states have legalized cannabis for medical or adult recreational use, while cannabis remain illegal under United States Federal law. As such, the Company may become subject to additional government regulation and legal uncertainties that could restrict the demand for its services or increase its cost of doing business, thereby adversely affecting its financial results.

This press release shall not constitute an offer to sell or the solicitation of an offer to buy nor shall there be any sale of the securities in any province in which such offer, solicitation or sale would be unlawful. The securities issued, or to be issued, under the Private Placement have not been, and will not be, registered under the United States Securities Act of 1933, as amended, and may not be offered or sold in the United States absent registration or an applicable exemption from registration requirements.
